

September 26, 2011

Attention Band Volunteers:

Our staff has been required to participate in a training program, entitled *Stewards of Children*, to improve our ability to prevent, recognize and react responsibly to child sexual abuse. At this time we have determined that this child abuse training is important for the safety of our students and therefore have decided to make this training program **mandatory** for all band volunteers who travel with the band. We are offering this training for some of our classified staff on the following dates and ask that you participate in one of these sessions.

Please contact Jane Johnson at johnsonja@mason.k12.oh.us to register for one of the following sessions. Space is limited for each session so please schedule your training as soon as possible.

October 11	3:00 – 5:00 pm	Mason High School Harvard Room
October 13	4:00 – 6:00 pm	Mason High School Harvard Room
October 18	4:00 – 6:00 pm	Mason High School Harvard Room
October 19	3:00 – 5:00 pm	Mason High School Harvard Room
November 1	3:00 – 5:00 pm	Mason High School Harvard Room

Thank you in advance for your service to our students and for participating in this important training.

Yours in education,
